

## **Financial and Investment Disclaimer**

**Last updated:** 11 March 2026

The information provided by Capital C through this website, coaching or training sessions, educational materials, educational platforms, and any related communications is intended for educational and informational purposes only.

Capital C does not provide financial, investment, legal, accounting or tax advice. The content shared through our website and services should not be interpreted as professional financial advice or as a recommendation to buy, sell or hold any financial product, security or investment.

Any financial decisions you make are your sole responsibility. Before making financial or investment decisions, you should consider seeking advice from a licensed financial advisor or other qualified professional who can take into account your individual financial situation, objectives and risk tolerance.

Capital C makes reasonable efforts to provide accurate and up-to-date information; however, information may become outdated or incomplete over time. We make no representations or warranties regarding the completeness, reliability or accuracy of any information provided.

Investing involves risk, including the possible loss of some or all invested capital. Past performance does not guarantee future results.

By using this website or participating in any coaching or training sessions, you acknowledge and agree that Capital C shall not be held liable for any losses, damages or financial decisions made based on information provided through our website, services, educational materials or training sessions.

Nothing contained in this website or our services constitutes an offer, solicitation or recommendation to buy or sell any financial instrument.
